Together we learn, together we succeed

5th July, 2023

Dear Parents and Carers,

We hope this letter finds you well. Following on from our recent event promoting water safety, we write to share how parents can access and use the life jackets and buoyancy aids for planned water activities.

The school has **8** water safety jackets available for parents to borrow. The sizes are below

Life Jackets	Buoyancy Aids
10-20kg	25-40kg
15-30kg	25-40kg
15-30kg	25-40kg
30-40kg	40-50kg

Parents wishing to borrow any items over a weekend during term time, need to follow these steps

1. Check the school calendar, found on school website to see if any water safety jackets have been booked already.
2. Call the school office to request a life jacket loan.
3. Office staff will process your booking and complete the website calendar to show you have secured a booking.
(Please note, lifejacket loans will be secured on a first come, first served basis)
4. Pop in to the office to collect your life jackets.
5. After use, please rinse them thoroughly in the shower (removing salt / river water residue), dry them and return to the school office the following day / Monday.

The water safety jackets will also be available during school breaks. During these times, the loans will be managed by Jo Ferguson. Jo will store the life jackets at her property, and parents can request hire via a mobile call to Jo at 07854 389951.

We thank you as ever for your support.

Kind regards

Nick Avey
