### How can you help your child?

- Take a trip to visit a castle e.g. Hever, Bodiam, Windsor
- Use Google Earth or an atlas to find countries and buildings across the world and the UK
- Find out about the materials that are used to build a house...visit a DIY store to do this!
- Choose an unusual building to find out about and make a PowerPoint presentation about it
- Look in your road/village and see how many different types of buildings there are.
- Make a model of a famous building or of a house.
- Write a story with a castle or palace or famous building in.
- Learn about houses in the past - Tudor/Victorian/Roman
