

World of Maths

Year 4

Summer 1

Location: Cities of Brazil

Fluency Focus: Multiplication and division facts using multiples of 10.
Add and subtract numbers up to 100

Location	Focus	Types of questions to ask
Belo Horizonte	I understand the place value change when multiplying by 10	<p>What is 4 multiplied by 10?</p> <p>What happens when I multiply 43 by 10?</p> <p>Show me the place value change when I multiply by 10</p>
Manaus	I know all my multiplication and division facts	<p><i>Ask quick recall times table questions.</i></p> <p><i>Ask division questions based on times table E.g. $45 \div 9 =$</i></p>
Curitiba	I know my multiplication and division facts using multiples of 10	<p><i>Ask quick recall times table questions using a multiple of ten. E.g. What is 40×3? What is 3×50?</i></p> <p><i>Ask division questions based on division questions using a multiple of 10? E.g. What is $450 \div 9$?</i></p>
Recife	I can add and subtract T0 and 0	<p>What is $56 + 3$? What is $34 + 9$?</p> <p>What is $53 - 5$? What is $76 - 9$?</p>
Porto Alegre	I can add and subtract T0 and T0	<p>What is $23 - 21$? What is $45 - 22$?</p> <p>What is $45 + 23$? What is $27 + 41$?</p> <p><i>Try not to cross a tens barrier</i></p>
