On Site Activities: We recommend that a supervising adult is present with each group during activities. Some Local Authorities/Associations insist on this, so please check with your relevant stakeholders.

Off Site Activities: There must be at least one supervising adult from your school/group present for all off-site activities, excursions and field work.

Evening Activity/Entertainment: PGL will lead evening entertainment, but to assist with the supervision of children, the party leader is responsible for ensuring that at least one adult must be present during all the evening entertainment sessions.

A finalised programme will be given on arrival. Due to operational reasons it may be necessary to revise the order of activities. We will not change activities without liaising with you first.
