Dear Y6 Parents and Carers,

With SATs next week, we thought it would be a good idea to send some information reminders and updates.

The tests themselves

The children will be getting themselves mentally prepared for the tests. There may be some anxiety ahead of the first test. We are providing supportive messages in school, we are sure that parents are doing the same thing. To help you answer any questions that may occur, please see Mr Snook's SATs powerpoint which has been attached with this letter.

SATs breakfast

So, thank you very much to you all for your offers of help and contributions. Here are the details to be aware of.
